# Get off the cataract waiting list

**Fully subsidised cross-border private cataract surgery this July and August\*.**

For Cataract Awareness Month, Veonet Ireland's Belfast specialist eye clinic is offering a limited-time opportunity for communities in Ireland who have been facing long waits for cataract surgery. Veonet Ireland Belfast is a centre of excellence in ophthalmology and part of Veonet, Europe's leading ophthalmology group.

This offer includes free bus travel from Galway and Tipperary in July and August, or you can make your own travel arrangements if you prefer. Cataract treatment is just €1,312\*\*, including all pre-operative diagnostics and cataract surgery. For eligible patients, this may be fully refundable through the HSE, and 0% finance is available.
